The following guidelines apply when considering grant applications:

- a. For purposes of definition, the Saskatchewan Knights of Columbus Charitable Foundation regards charity as a means of showing Christian love and good will to others. Charity is generosity and helpfulness to those in need. It also includes public benevolence that ranges from providing the basic needs of life to the support of those things that make life better.
- b. The first priority is the Church and Church-related needs and charities. The Foundation operates in a manner that recognizes that Knights of Columbus are first and always Catholic.
- c. The Saskatchewan Knights of Columbus Charitable Foundation will also consider special needs of brother Knights and their families and since Knights are members of communities of one kind or another, consideration will be given to community needs.
- d. Applications should be made in original form, with supporting background and financial information. Form letter requests will not be considered nor responded to.
- e. The Foundation does not favour requests that resemble annual grants; however, in approving a grant, the Board may indicate that additional funding could be made available if a good case can be made for added assistance for a particular need or project.
- f. Delegates to the annual State Convention are provided with a report on grant requests and grants recommended along with other pertinent financial information.

**Processing Applications:**

Application forms are available in print from the Executive Director at P.O. Box 61, Moose Jaw, Saskatchewan, S6H 4N7 on our web-site at [www.SaskFofCFoundation.com](http://www.SaskFofCFoundation.com) Or via email at [info@SaskKofCFoundation.com](mailto:info@SaskKofCFoundation.com) .

The application deadline is January 15th. A committee reviews applications with recommendations presented to a board meeting. Approved donations are distributed at or after the Annual General Meeting in April or early May of each year.
